**The THREE**

The Lilizela Tourism Awards is South Africa's premier Travel and Tourism Award ceremony. It is a platform that honours and celebrates tourism business owners for their sterling impact on the South African tourism industry.

"Lilizela" is a term that is unique to South Africa's Nguni languages, meaning "ululate", which is a symbolic sound for joy and celebration.

We are delighted to announce that we have entered the Lilizela Tourism Awards and require your help to bring the award home to us.

In order for us to win, we need you to continue with your support by voting for us using the QR code. Alternatively you can visit: [www.lilizela.co.za/The THREE](http://www.lilizela.co.za/TheTHREE)

Let's build the South African tourism industry together.
